# ABOUT US

At dmsgofarin, we are dedicated to sustainable and profitable goat farming with a commitment to quality, animal welfare, and rural empowerment. Established with a vision to support modern agriculture, we combine traditional livestock knowledge with scientific farming practices to deliver healthy, high-yield goats.

Our farm focuses on breeding superior quality goats for milk, meat, and breeding purposes. We ensure proper nutrition, hygienic shelter, regular veterinary care, and scientific breeding management to maintain the highest standards.

# OUR VISION

Become a leading and trusted online goat trading company in India Transform traditional goat farming into a modern, technology-driven business model Deliver stable, compounding growth opportunities to our investors Promote sustainable financial growth and economic inclusion Set high standards of transparency and professionalism in the livestock sector DMS Goat Farming Company aims to create long-term value by combining innovation, ethical management, and shared success.

# OUR MISSION

Digitize and streamline goat trading and farming in India Provide a transparent, secure, and profitable earning platform Enable passive income opportunities through managed livestock investments Support the growth of India's livestock and agricultural economy Build long-term relationships based on trust, performance, and accountability We are committed to making livestock-based investment accessible, reliable, and professionally managed for all.

# DMS GOAT FARMING

This is the only company in India that offers profits on the purchase and sale of goats. The company will care for the goats itself.
